THEME: It's Magic

You bet it's magic! That means Pug Henry, the singing sweetheart of the campus, who tonight bids farewell to the semester, and to you who have been such a swell audience. "I want to get away from the crowd" Pug's going to give her/voice a rest, but after exams she'll return to the W.C.S.R. mikes every Wednesday evening to select the top records of the week, and to answer your recorded requests. We'll let Pug tell you ^{all} about it in a minute.

SPOT

Now Miss Henry, let's have the story.

That's about it for now, and for ~~the~~ you who have listened to and enjoyed the wonderful song stylings of Pug Henry, we'd like to remind you that Pug will be back, after exams, to become the Wednesday Night disc jockey, and to select the top songs around campus. So join us then...same time, same station.
